Other organisations such as enterprises, public bodies, NGOs and research institutes may also participate in the EMJM consortium as partners or associated partners.	Other organisations such as enterprises, public bodies, NGOs and research institutes.	With the exception of networks, Jean Monnet projects typically involve one organisation only.	Organisations working for or with young people, established in an Erasmus Programme or Partner country covered by the action..	These are typically bilateral partnerships involving a HEI from a Programme Country on the one hand and one from a Partner Country.	Higher education institutions and any public or private organisation active in the labour market or in the fields of education, training and youth.
