

OCR Report to Centres – June 2013

61 – 70	1	Arithmetic - terminology
	4	Arithmetic - fractions
	17	Algebra - expansion and factorisation of expressions
	19	Arithmetic - scale drawing
	22	Probability - tree diagram
	24	Arithmetic - approximations
	37	Arithmetic - percentage increase
51 – 60	39	Graphs - solution of simultaneous equations graphically
	10	Arithmetic - sequences
	13	Algebra - factorisation of quadratic functions
	26	Trigonometry - 2 right angled triangles
	28	Trigonometry - Sine rule
	30	Trigonometry - 3D problem
	34	Graphs - speed/time graph
41 – 50	40	Statistics - cumulative frequency graph
	11	Graphs - points on a curve
	12	Algebraic powers
	20	Probability
	32	Graphs - graphical properties of the straight line
31 – 40	33	Graphs - properties of a cubic curve
	29	Algebra - sum of algebraic fractions
21 – 30	8	Arithmetic
	25	Arithmetic - cumulative errors
	35	Vectors
